Join us at Underwood West to explore the Teaching of Reading using the Take One Book approach and The Reading Journey. There will be an opportunity to view lessons and talk with colleagues and students. We'll be sharing the latest resources, and you will be able to browse high-quality texts for teaching.

The event is suitable for schools already using Take One Book that are keen develop the pedagogy. It will also be useful for schools interested to learn more and learn about different approaches to teaching reading beyond the beginning stages.
