

GENERAL INFORMATION

Health and safety

Please note the incoming company will be required to provide a valid P.A.T. certificate for all electrical equipment being brought into the Civic Hall. This certificate must be produced one week prior to concert.

Backstage Access

Backstage access is available through the fire exit at the back of the dressing room and side door. Both are accessible off Beam Street and are situated off the main Civic Hall car park.

Smoking policy

Nantwich Civic Hall operates a strict No Smoking policy through the entire building

EMERGENCY PROCEDURES

Could all members of the company please familiarise themselves with the emergency escape routes from the stage and dressing room areas.

Should we need to evacuate for any reason, the assembly point is situated at the front of the building.

Dressing rooms

There are two dressing rooms and both are situated to the right of the stage.

There are toilet facilities available, which are also situated backstage.

Security in dressing rooms

Keys for each dressing room can be obtained from the main office

Complimentary ticket policy

The Civic hall's policy on complimentary tickets are they can be only authorised by the company's manager.

Disabled access

Nantwich Civic Hall is fully compliant with disabled requirements, there is a ramp to the main entrance doors and the disabled toilet is situated on the ground floor.

There is a lift available to the upstairs Lounge.

Get in

Unloading of equipment is through the fire exit, which is accessible from the car park off Beam Street.

We stock the following stagecloth

1 star cloth fixed at rear of stage

Vehicular access

Road access to the Civic Hall is very good; the Civic Hall is situated next to the bus station in Nantwich and has its own pay and display car park off Beam Street.
