

Connect 19

Welcome

Here's your guide to the new Connect 19 bus, bringing you a modern bus in the distinctive Connect 19 livery. This guide aims to give you the information you will need for your trip on Connect 19.

Whilst the route and timetable remain the same Connect 19 will now normally be provided by a bus with a low height step-free entrance ideal for passengers travelling in a wheelchair or child's buggy. The step-free entrance will also make boarding and alighting easier for those who find the entrance steps difficult.

Connect 19 will make your journey easier. And don't forget if you travel to Macclesfield Bus Station services are available for onward travel to many areas across Cheshire and beyond.

A large print version of this timetable is available on request from Cheshire Traveline on 0845 140 2666.
