Terms and Conditions

Ansa's Real Nappy Incentive Scheme – Shopping Voucher or Free Sample Real Nappy Kit - has been set up to encourage parents to change to reusable (washable) nappies. This will reduce the number of disposable nappies sent to landfill.

This offer is only applicable to residents living within the Cheshire East Council administrative boundary.

The offer is considered to be “one off” in nature and therefore does not constitute any commitment for future financial support. The offer is open to one opportunity per family.

Shopping vouchers cannot be supplied without the production of a receipt.

For audit purposes a copy of the child/children's birth certificate may be requested.

Ansa may ask for feedback and may ask you to fill in a follow-up questionnaire.

Your data will be kept for 3 years to enable checks to ensure just one application is made per family. In addition we use the data to carry out a survey of real nappy users after 18 months to 2 years. Your data will not be passed on to any other body.
