To whom it may concern,

I am writing to object to the use of St Johns Methodist Church Hall as a polling station as this means the pre-school has to close on polling days. This results in a local charity suffering financially, our young children missing out on their education, and parents being very inconvenienced.

Alternative polling stations could be:
- Willaston Primary School (less than 0.5 miles away);
- Willaston Social Club (almost next to the hall, has lots of parking and a separate function room where polling could be held); or

- the Willaston Masonic Hall (again has lots of parking and is just up the road from the Methodist Church.
