Arboricultural Contractors

Tree Surgery Contractors
Other companies practicing in Tree Surgery are available through directory and website listings.

A directory of Arboricultural Association Approved Tree Surgeons is also available through the Arboricultural Association website at www.trees.org.uk

When choosing a contractor / consultant users should ask for sight of their public liability insurance.

Note: The Council provides this information for the assistance of the general public and is not responsible for the accuracy of the information and by publishing the list it is not seeking to make any representation as to the competence, probity, insurance cover or any matter relating to any consultant or contractor.

The Council cannot accept liability for any loss or damage of any kind which may arise as a consequence of the employment of any consultant or contractor referred to in the list. Inclusion on this list does not give the Contractor or Consultant the right to claim recommendation from the Local Authority.

You must check with the Council to see if there are any planning restrictions imposed on your trees prior to commencement of works. The Council’s Arboricultural Officer will advise you accordingly. It is the responsibility of the owner of any tree that is the subject of a Tree Preservation Order or Conservation Area Regulations to ensure that the Order and any Consents are complied with.
