FREE EARLY EDUCATION ENTITLEMENT (FEEE) – 30 hours & transfer of funding

The next opportunity to transfer funding is at the start of autumn term.

**Universal entitlement (15 hours)**
By completing the Parental Declaration form, parents commit to the hours claimed for at least one term. The opportunity to change childcare provider arises at the end of each term. Transfers during the term can only be considered under exceptional circumstances.

**Extended entitlement (30 hours)**
Where a child has fallen into their grace period, DfE guidance states they should not start a new 30 hours place whilst in their grace period. Therefore, if a child moves provider at the end of a term they would cease to be entitled to the extended entitlement. The child could only continue to claim the universal entitlement.

Similarly, if a child transfers during the term due to exceptional circumstances only the universal entitlement would be available - the extended entitlement would cease.

Should parents wish to pursue the transfer, full details of their request must be emailed to feee@cheshireeast.gov.uk for consideration

**EYFS SEND Toolkit (new course)**

This course is aimed at practitioners who are the SENCo for their setting. The session will look specifically at the Toolkit and how this links to EYFS settings. It will go through the different types and levels of needs to complete the paperwork. It will provide guidance on identifying and supporting children who may have SEND in your setting.

You will need to BRING a laptop as part of the session will involve online workshop.

For more information and to book on one of the sessions please visit our training webpage:

Making Sense of your Early Years Data

This termly cluster will provide an opportunity for your setting to analyse and interpret your early years data to ensure that all children make effective progress.

Please bring an overview of your 2, 3 and 4 year old data (as appropriate) and 1 example of a learning journey or profile for a child going to school, we will be providing a moderation session focusing on the Characteristics of Effective Learning and PSED.

(Please ensure you have permission from parents to share the learning journeys/profiles).

We will also look at supporting transitions to school. (max 2 practitioners per setting).

## Bookstart Week

‘Wow’ said the Owl by Tim Hopgood

Little Owl sees the wonder of colour when seeing the world in daylight for the first time but decides “the night-time stars are the most beautiful of all.”

Read with your children and then, why not…

1. Think about words we could use instead of 'Wow', can you find a different word for every page? What makes you go ‘Wow’?

2. Create the picture from the story in a collage using different materials for each element? Or paint a rainbow and chalk a night sky?

3. Go for a walk outside and see what colours you can spot? Can you spot any colours not in the story?
