Dear Ben,

I would be grateful if you could confirm National Highways agreement to the statement below as a means to address the need for a Transportation Study highlighted in National Highways' representations about the SADPD:

***Cheshire East and National Highways commit to working together to take forward a Transport Study to assess the impacts of allocations within the Local Plan Strategy and SADPD on the SRN with a view to identifying any necessary future mitigation measures (including funding mechanisms). This work will also be used to guide the consideration of future development options through a Local Plan update. The Study will be carried out in 2022.***

Thanks and kind regards,  
Jeremy
